****WARNING****

You are authorizing a member of your department access to a governmental computer system which may be accessed and used for only official government business. Unauthorized access or use of this computer system, or dissemination of information found within this system will subject violators to criminal, civil, and/or administrative action. It is the responsibility of the department to inform LCWC immediately if a member is no longer authorized to have access to WEBCAD.

Submit form to EMSSUPPORT@LCWC911.US or FIRESUPPORT@LCWC911.US

To remove or suspend a user account, please email or fax the request. If it is time sensitive and outside normal business hours, contact LCWC by phone at 717.664.1150.
